NOTICE REGARDING RED LIGHT CAMERA FEES

A recent newspaper article indicated that certain Red Light Camera traffic tickets were to be dismissed by the San Bernardino Police Department due to a malfunction in the yellow light at a certain designated intersection.

The Superior Court of California, County of San Bernardino has no jurisdiction to dismiss these tickets on its own motion or to issue a reimbursement for fines already paid.

Any dismissal or reimbursement of fines may only be made after the appropriate written request from the San Bernardino Police Department is received.

If you have paid fees and feel that your Red Light Camera traffic ticket qualifies for dismissal or a reimbursement of fines and fees paid, you should contact the San Bernardino Police Department at 909-384-5742 for assistance.
